

**Wigan[♥]
Council**

In response to my previous request, the council stated there were no deaths and serious harm incidents in unregistered children's homes, which are children's homes not registered with Ofsted. I would now like to make a broader request about safeguarding concerns in unregistered homes.

Please can you help with the following? I would be grateful if you could use the attached spreadsheet or your own spreadsheet to answer the questions.

1. How many safeguarding concerns were recorded about looked-after children in unregistered children's homes in each of the following years: 2021/22, 2022/23, 2023/24 and 2024/25? Please use the attached spreadsheet.

2. How many Local Authority Designated Officer (LADO) supervised investigations have there been into allegations against staff in unregistered children's homes in each of the following years: 2021/22, 2022/23, 2023/24 and 2024/25? Please use the attached spreadsheet.
