

**Wigan[♥]
Council**

I would like information specifically related to Legh Street Park in Golborne I would like to know:

1. Specifically, regarding the sand area, how often do the council deploy staff to deep clean this area? Weekly
2. Specifically, regarding the sand area, what equipment is used to clean the sand? Rotavator, litter picker, rake, shovel, blower
3. Specifically, regarding the sand area, how often does the council perform safety checks on this area to ensure the area is clean, kept free of debris (including glass and sharps) and free from dog excrement? Weekly
