

**REQUEST 18868**

Please provide a list of all residential or mixed-use buildings within your local authority area that meet any of the following criteria:

- Have applied for or received funding under the Building Safety Fund or Cladding Safety Scheme;
- Have been identified by Building Control as having external wall systems (EWS1) requiring remediation;
- Contain ACM, HPL, or other combustible cladding materials recorded by your authority.

For each building, please include (where not exempt under Section 40 or 43):

- Building name and street address
- Postcode
- Number of storeys
- Status (e.g. remediation pending / completed / funding approved / withdrawn)
- Managing agent or responsible entity, if available

Please provide the data in spreadsheet or CSV format where possible.

**RESPONSE**
