REQUEST 18913

Could you provide a table showing the profile of taxi plate (taxi vehicles licences) ownership in bands please.

We don't need the names etc just the numbers e.g. 2 proprietors own 20, 1 owns 18, 200 own 1 etc.

RESPONSE

The below figures relate to the individual or company who hold the taxi or private hire licence.

There are 798 licensed private hire vehicles, and 125 licensed taxis.

Numbers greater than 1 are as follows:

3 = 10
4 = 5
5 = 1
6 = 2
7 = 1
8 = 3
9 = 3
11 = 2
16 = 1
18 = 1
