

REQUEST 18920

Please could you provide me with the following information:

1. The number of snow/ice-related road closures in the period from December 1st 2023, to February 29th 2024 (90 days) in your council area (just a number is fine, no road names needed)
2. The length of time each road closure was closed for (days), including the dates to and from (for example, December 15 - December 20 = 5 days)
3. The number of school closures during this period within your council area in the same 90 days as above (Dec 1 2023, to Feb 29th 2024) and how many days each school was closed for (1 day, 2 days etc)

RESPONSE

1. 0 closures
2. Not Applicable
3. Information not held. Please contact schools directly.
