

I would like to request the following information:

1. A list of all councillors who are or have been members of the planning committee, for the period 2000 to the present day.

A list of Planning Committee members from 2003 (the furthest our records go back) to 2025 are outlined in the attached document.

2. For each councillor, please include their start and end dates of service on the committee.

To provide this information for each individual Elected Member in the attached document *'would exceed the 18 hour.*

'Section 12 of the Freedom of Information Act 2000 (FoIA) relieves a public authority from the obligation to comply with a request for information where the estimated time required to locate, review and extract the information exceeds a certain threshold set out in Regulations.

The Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004 (SI 2004/3244) set out the rules in relation to the cost limit (otherwise called the "appropriate limit"). These Regulations are published by the Office of Public Sector Information (OPSI) and are viewable on their web site from this link:
http://www.opsi.gov.uk/si/si2004/uksi_20043244_en.pdf

The Regulations set out the cost limit for Government departments and for other public authorities. For local government, Regulation 3 states that the cost limit is £450 and Regulation 4(4) states that the prescribed hourly rate is £25. Regulation 4(4) further provides that where the local authority estimates the time taken to gather the information would exceed this limit (which based on the prescribed hourly rate, equates to 18 officer hours), it may refuse the request under section 12 of FoIA.

3. Please also indicate which councillor(s) served as Chair of the committee, and their corresponding dates in that role.

The Chairs of the Planning Committee from 2003 – present are outlined below:-

- Councillor J A O'Neill = 2003 – 2008
