## Request

Could you please provide the email contact details for the SENCO (Special Educational Needs Coordinator) at each school within your local authority area? This information will be used solely for the purpose of sharing free, educational SEND resources with schools.

## Response

Any list we hold may not necessarily be up to date and not all schools publish the name of the SENCO, so this would be exempt from disclosure under s40(2) of the FOI Act 2000 as it is personal data and we do not have a lawful basis to share. Therefore, you should contact schools individually to get the most up to date information.
