REQUEST 18933

I am submitting this FOI for a list of all road works which have occurred and or are likely to occur on Bolton Road, Ashton in Makerfield.

The list should include the dates, reason for the roadworks and the length of time it has taken to complete.

Timeframe: December 2024 to December 2025.

I would like it to include all roadworks that have been executed or are planned to be executed within this time frame

RESPONSE

Please see accompanying Excel file with the data requested.
