

Under the Freedom of Information Act 2000, I would like to request access to any records your authority holds concerning street tree removals, plantings, and overall street tree inventory data over the past three years (from 1 January 2021 to 31 December 2024).

Street tree removals

- For street trees removed between 1 Jan 2021 and 31 Dec 2024, please provide (where available): **172**
- Species (common and/or scientific name)
- Stem diameter (if recorded)
- Tree height (if recorded)

Street tree planting

- For all new street trees planted during the same period, please provide (where available): **260**
- Species (common and/or scientific name)
- Date or year of planting (If available)
- Size at planting (e.g., standard, heavy standard, girth, etc.) (If available)

2021 – **30**, 2022 – **104**, 2023 – **106**, 2024 – **20**

Additional information if time is available.

- Current street tree inventory (if possible) **2,460**
- If available, please also provide a record / summary of all existing street trees currently managed by the authority, including:
 - Number of trees **2,460**
 - Species make up (common and/or scientific name)
 - If a full inventory cannot be provided, a summary of the total numbers or proportions of street trees by species would be very helpful.
