

REQUEST 18973

I was hoping to use some information about howe bridge leisure centre

1. How much electricity the building uses per year.
2. How much the electricity costs per year.
3. How much gas is used per year.
4. How much does the gas cost per year.
5. Did the introduction of solar panels offset any costs. The information

RESPONSE

1. April 24 – April 25 533,699 KWH
