

REQUEST 19000

I am submitting a request under the Freedom of Information Act 2000 to gather information regarding the number of individuals and families classified as homeless and placed in "temporary accommodation" throughout the year.

1. Monthly Homelessness Data in Temporary Accommodation
2. Monthly Counts of Individuals and Households in Temporary Accommodation:

For each month in the past five years (November 2021- November 2025), please provide the total number of individuals and households recorded as homeless and residing in "temporary accommodation."

Include a breakdown of the types of accommodation provided (e.g., hotels, B&Bs, hostels, caravans, shelters).

Please categorise those in temporary accommodation as follows:

- o Single parents with children, identifying mothers and fathers separately if possible.
- o Individuals without children.
- o Family units, classified by family size (e.g., mother, father, and one child; mother, father, and two children, etc.).

RESPONSE

Please find attached document containing the data we have been able to provide.

We are unable to breakdown the data further than that provided in the attached document, as we do not hold the information that you have requested in an easily retrievable format. Section 12 of the Freedom of Information Act 2000 (FoIA) relieves a public authority from the obligation to comply with a request for information where the estimated time required to locate, review and extract the information exceeds a certain threshold set out in Regulations.

The Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004 (SI 2004/3244) set out the rules in relation to the cost limit (otherwise called the "appropriate limit"). These Regulations are published by the Office of Public Sector Information (OPSI) and are viewable on their web site from this link: http://www.opsi.gov.uk/si/si2004/uksi_2004324_en.pdf

The Regulations set out the cost limit for Government departments and for other public authorities. For local government, Regulation 3 states that the cost limit is £450 and Regulation 4(4) states that the prescribed hourly rate is £25. Regulation 4(4) further provides that where the local authority estimates the time taken to gather the information would exceed this limit (which based on the prescribed hourly rate, equates to 18 officer hours), it may refuse the request under section 12 of FoIA. I am satisfied the cost limit applies to your request and will explain why this is the case.

This request would take 10 minutes per household, given the monthly placements vary from 121 up to 285 over the months, considering the month with 121 households, this would take 121x10 = 1210minutes (20 hours) for one month alone.
