

REQUEST 19010

Please provide the following information:

1. The number of Ukrainian citizens currently registered or residing within your district/council area, including (but not limited to) individuals under:
 - o the *Homes for Ukraine* scheme;
 - o the *Ukraine Family Scheme*;
 - o the *Ukraine Extension Scheme*;
 - o any other visa or migration routes.
2. If possible, please provide a comparison of the number of Ukrainian citizens before 2022 and from 2022 onwards. (For example: annual totals or any format in which your Council holds these data.)
3. A breakdown by postcode areas, if such data are available.
4. Any internal reports, statistics, or datasets held by the Council relating to:
 - Ukrainian residents;
 - integration or resettlement services;
 - community support programmes for Ukrainians.

If only part of the requested information is available, please provide whatever can be disclosed.

Please also advise whether these data are published regularly, and if so, provide the link or location where they can be accessed.

RESPONSE

1. Data only held on Ukrainian citizens currently on the Homes for Ukraine and Ukraine Permission Extension Scheme: As of 10/12/2025, 66 Ukrainian citizens across 37 households on these schemes.
2. No data available.
3. Postcode split by household (37):
 - M28 x1
 - M29 x6
 - M46 x5
 - WN1 x3
 - WN2 x3
 - WN3 x6
 - WN5 x2
 - WN7 x11
4.
 - Data is as per question 1
 - Integration and Resettlement services are provided by the Local Authorities Resettlement team who provide support to all Non-UK nationals. Support includes, but not limited to: access to volunteering, education and employment, housing, health & well-being support.
 - There are no specific community support programmes for Ukrainians
