

I am writing to request information under the Freedom of Information Act regarding the software applications used across departments at your authority. Please provide the following details for each department:

1. Name of each software application currently in use **1, 2, 4**
2. Whether the application is installed locally on devices, hosted on a Virtual Desktop, or virtual app basis (Citrix or Azure VDI, or similar) or hosted by the developer (cloud-based/SaaS)
3. Current version number of each application
4. Number of licences held for each application
5. Contract type – whether the contract is rolling or fixed-term
6. Annual cost of each application
