

Under the Freedom of Information Act 2000, please provide documents confirming that the independent review relating to the warehouses development A/23/96226/MAJOR. (Planning) has formally commenced.

Specifically, I request:

1. The commissioning document / instruction to commence the review - including the start date.
2. Terms of Reference or scope of the review
3. Confirmation of who has been appointed to conduct the review
4. Any contract award, purchase order, or commissioning paperwork
5. Any correspondence confirming the start of the review, including communication with the reviewer
6. Project timelines, initiation documents, or expected milestones

*The requested information is exempt under Section 21 as information is reasonably accessible by other means. Please see [link to the Council's Disclosure Log](#):*
