## **Request**

1. Could you please advise me of the expenditure incurred on Haigh Hall over the last ten years?
2. Could you also advise me what the income levels have been over the same period.

## **Response**

Total expenditure on Haigh Hall from 2021 when the asset was brought back under Council control to December 2025 is £12.9m.

The Hall hasn't been operational during this period as it is currently undergoing a significant programme of refurbishment therefore no income has been generated.
