Response

Wigan Council do have a Community Asset Transfer (CAT) policy:

[Community Asset Transfer Policy](#)

April 2022

The CAT policy is currently under review, to align with the Council's 'Progress with Unity' strategy.

The Authority has currently 141 properties on community asset transfer.

We do not have readily available historical record showing this number year by year, or providing a running total of properties disposed of at an undervalue under the General Disposal Consent (England) 2003 (Local Government Act 1972).

According to our records, community asset transfers by Wigan Council currently are as follows:

Lease	107
Licence	22
Vacant	12
Grand Total	141

We do not have historical figures for this, only the latest / current position.

1,248 assets excluding social housing

We do not review assets for CAT in this way.
