

Request

I would like to know how many complaints have been made against councillors in the following time periods: 1. since 1 May 2025 and 2. for the years 2023, 2024 and 2025 individually.

I would also like those numbers broken down further by:

- How many complaints were made against members by their political grouping
- How many complaints were related to social media use

Response

Complaints are recorded per municipal year rather than calendar year.

In none of the years were complaints received against members by their political grouping. The figure in brackets at the end of each year reflects the number of complaints related to social media use.

- 22/23 – 17 (7)
- 23/24 – 21 (7)
- 24/25 – 69 (59)
- 25 to date – 14 (9)
