

REQUEST 19124

Could you please provide:

- a. the total number of households on the housing register in your local authority [as per Item cc1a of the Local Authority Housing Statistics return] and,
- b. the number of households on the housing register in your local authority for which the lead tenant is aged 16 to 24 inclusive on the following dates: 31st of March 2025, 31st of March 2024, 31st of March 2023.

RESPONSE

Please see attached.

Please see attached. We are unable to answer one question as we do not have a housing register report dating back to 31st March 2023 so we can't provide data for 16-24 year olds for that year.

We are also unable to run a report retrospectively as applications will now have changed in terms of ages and status as the report only takes a snapshot at the time that it is run.
