

REQUEST 19136

Please provide the following information, for the below list of Bee Network schemes (as taken from <https://beeactive.tfgm.com/schemes>):

1. Confirmed start and end date of construction (this should be broken down as required if completed in multiple stages, with descriptions for each)
2. Stage 4 Road Safety Audits (if undertaken)

List of schemes:

- Road to Wigan Pier
- Leigh to Pennington Park
- Wigan Gateway A49
- Bridgewater Canal Towpath
- Canal Towpath & Links
- Robin Park Road
- Whelley Loop Line
- Standish Western Route
- Smithy Brook Road Junction & Canal Phase 2
- Saddle Junction
- Worsley Mesnes Active Travel neighbourhood
- Standish Mineral Lane
- Victoria Street & Skew Bridge
- Wigan Crossings
- Leigh St Helens Road
- Wigan Bee Network Crossing
- Leigh Bus Station Cycle Hub

If the information is already publicly available, please direct me to where I can access it.
