

I am requesting information regarding School Crossing Patrols (SCPs) and associated signage within your authority's jurisdiction.

Specifically, I request the following information:

- | | |
|--|---|
| 1. Location Data: A list of all current, active School Crossing Patrol sites. Where possible, please provide the specific road name and coordinates (Latitude/Longitude or Easting/Northing). | See attached Excel file |
| 2. Operational Times: The times during the day when the School Crossing Patroller is on site, even for sites where there is currently no active officer. | See attached Excel file |
| 3. Asset Information: If available, a list or dataset of the physical locations of "School Crossing" warning signs (prescribed by the Traffic Signs Regulations and General Directions, e.g., Sign 545). | This information is not held. |
| 4. Supervision Status: Whether each site is currently "active" (staffed by a patrol officer) or "vacant" (identified as a crossing point but currently unstaffed). | See attached Excel file |
