

I am researching cycling facilities and initiatives provided by UK employers.

I would like to request the following information covering the period 1st January 2022 to 31st December 2025. I would like information separated out by year, for 2022, 2023, 2024 and 2025. That's each year running from January to December, if possible. If you work in financial year's instead of calendar years, please indicate.
