

REQUEST 19239

Please let me know the cost of a full time mainstream primary school placement and the cost of a full time special primary school placement

Requester has clarified

- For the first point, please provide information for the past 5 financial years. I am interested in the cost for a place each academic year however.
- For the second point, I am referring to the basic entitlement for a full-time place in primary school with no additional support.
- However, please provide the top up funding available for both EHCP Bands 2 and 3 for each academic year.
