

**REQUEST 19243**

I'd like to request the following information from the council under the Freedom of Information Act:

1. The number of current licences in force issued as part of the Dangerous Wild Animals Act 1976 in the area?
2. The type of each of these licenced animals?
3. The number of applications for primates under the Animal Welfare (Primate Licences) (England) Regulations 2024 received since April 2025?
