

## REQUEST 19290

1. Please provide a spreadsheet (Excel or CSV format) containing details of all property and land assets disposed of by the council since 1 January 2010. For each disposal, please include:

  - b. Date of disposal
  - c. Sale price (if recorded)

2. Please also provide a list of all land and property assets acquired by the council since 1 January 2010, including:
  - a. Address and postcode
  - b. Date of acquisition
  - c. Purchase price (if recorded)
  - d. Whether the acquisition was made through the Housing Revenue Account (HRA) or was a general fund/regular disposal (please separate these categories clearly)
3. In addition, please provide a list of all Community Asset Transfers (CATs) completed since 1 January 2010, including:
  - a. Asset name/address
  - b. Date of transfer
  - c. Whether the transfer was at market value, discounted, or for £0 (if recorded)

## RESPONSE

1. Please see attached documents.
2. Please see attached documents.
3. We have 144 Council owned sites (buildings or land) that provide community benefit and are let to third parties - these are regarded as "community assets":

Description	Count	Description	Count
Community Centre	23	Bowling Club	11
Offices	1	Rugby Club	3
Church/Chapel	5	Boxing Club	1
Scout Hut	2	Cycling Club	1
Adult Services	3	Playing Fields	34
Library	4	Sports Club	9
Day Centre	2	Football Club	0
Nursery	1	Cricket Club	1
Café	3	Tennis Club	3
Woodland	3	Swimming Pool	1
Allotment	8	Recreation Ground	1
Miscellaneous	10	Fishing Water	14
		<b>Grand Total</b>	<b>144</b>

As part of The Deal, in 2015 Wigan Council introduced a 'Community Asset Transfer' policy, however this policy puts the onus on the community to identify an asset as potentially suitable for CAT, and submit an Expression of Interest. We do not keep a record of which disposals are classed as 'community asset transfer': some disposals pre-date the Localism Act 2011 and are contractually indistinguishable from other, 'commercial' disposals. Also, CATs are rarely disposals by sale, but by leases of variable length depending on the circumstances of the community groups and the Council's long-term plans for the land or building.
