

## **Request**

I am seeking a copy of the original bill of sale of Haigh Hall from Lord Crawford or, more specifically, an outline plan of the hall and grounds purchased in 1947.

I have contacted your Archives division but they don't have the deed and suggested that Wigan holds it.

## **Response**

A copy of the registered title for Haigh Hall can be purchased from the HM Land Registry by visiting [www.gov.uk/government/organisations/land-registry](http://www.gov.uk/government/organisations/land-registry) and selecting the "Title Deeds" option.

The title number for Haigh Hall is MAN44141. A copy of the Conveyance dated 19/12/1949, made between The Right Honourable Robert Alexander Lindsay Earl of Crawford and The Mayor Aldermen and Burgess of the County Borough of Wigan is also available under the same title number under the section "Order official copy of register, title plan and/or documents."
