

I would like to request the following information relating to fly-tipping within your local authority area.

For the most recent full calendar year available (1 January 2025 to 31 December 2025), please provide the following:

1. White Goods Fly-Tipping Incidents

- a. The total number of recorded fly-tipping incidents involving large domestic appliances or "white goods". 110 all categorised as 'White Goods' we don't use any other type of classification or breakdown.

Where possible, please provide a breakdown by appliance type, including (but not limited to) fridges, freezers, washing machines, tumble dryers, dishwashers, cookers/ovens.

If appliance-level breakdown is not available, please provide totals recorded under classifications such as (but not limited to) "Large domestic appliances", "White goods", "Electrical waste".

2. Overall Fly-Tipping Context

- a. The total number of fly-tipping incidents recorded across all waste categories during the same period. 3481
- b. If recorded, the percentage of total fly-tipping incidents that involved white goods or large domestic appliances. 3.16%

3. Enforcement Action

- a. The number of Fixed Penalty Notices (FPNs) issued in relation to fly-tipping involving white goods or large domestic appliances. Not recorded
- b. The number of Fixed Penalty Notices (FPNs) issued in relation to other fly-tipping offences. Not recorded
- c. The number of prosecutions brought for fly-tipping offences during the same period (if recorded). 0

*All fly tipping FPNs are logged as fly tipping, they are not categorised into type of waste that was deposited unauthorised.*

#### 4. Financial Impact

- a. The estimated total cost to the council of clearing and disposing of fly-tipped white goods or large domestic appliances.
- b. The total number of Fixed Penalty Notices (FPNs) issued for all fly-tipping offences during the same period.

We are unable to calculate this accurately as all fly tipping is collected alongside other forms of litter and litter bin bags.
