

I'm researching premises licensing activity across local authorities and would be very grateful for your help in providing a structured export of your licensing register. I have set out exactly what I am looking for below.

I am requesting the following information held under the Licensing Act 2003:

1. All currently active premises licences, including:

- a. Licence reference number
- b. Premises name
- c. Full premises address and postcode
- d. Licence holder name
- e. Designated Premises Supervisor (DPS) name, where held
- f. Licensable activities authorised (e.g. sale of alcohol, regulated entertainment, late-night refreshment)
- g. Permitted operating hours*
- h. Date licence was granted

Please find attached - two documents listing all active premises licences with Wigan Council and include all the information available.

*The licensable activities and permitted hours have not been included. In order to locate, retrieve and extract this information would take in excess of 18 hours, and therefore in accordance with Section 12(1) of the Freedom of Information Act 2000 we are unable to provide this information.

This is calculated based on the checking 936 records, with a check of each record taking a minimum of 20 minutes.

2. All premises licence applications currently in progress (received by the authority but not yet determined), including:

- a. Application reference number
- b. Premises name and full address
- c. Date of application
- d. Application type (new licence/variation/transfer/review)
- e. Licensable activities applied for
- f. Operating hours applied for (where available)
- g. Current status

Link below to our webpage, which lists all pending new premises, review applications and variation applications:

[Premises Licences / Club Premises Certificates](#)

3. All premises licence applications determined in the last 5 years, including:

- a. Premises name and full address
- b. Application type
- c. Date of application
- d. Date determined
- e. Outcome (granted / refused / withdrawn)
- f. Licensable activities where granted
- g. Permitted operating hours where granted
