

Response

Wigan Council has informed me that the invoices for rent owed by the Fir Tree Allotment Association for the period June 2015 to June 2026 were issued on the 4th Feb 26.

On the 20th Feb 26 the Fir Tree Allotment Association are stating that the rent remains unpaid as they have not received the invoices.

They have informed me as follows:

Wigan Council will be issuing Fir Tree Allotment Association with an invoice for the years where they have not issued an invoice for land rent - this has not yet been received. This will be chased up if not received by mid-March.

- Can Wigan Council please confirm whether it has received its rent owed for the above years, how much was paid and on what date?

Response

The original invoices were issued incorrectly. This has now been corrected, and revised invoices have been sent. We are currently awaiting payment.
