

I am writing to you under the Freedom of Information Act 2000 ('the Act') to request information concerning enforcement of the laws governing the welfare of farmed animals.

Terminology

By 'farmed animals', we refer to any animal bred or kept for the production of food, wool or skin or other farming purposes

The premises referred to in this question are:

Where referencing Transport Vehicles, we are referring to welfare issues during transport and vehicle related issues which breach animal welfare law.

By 'inspections', we refer to on-site inspections on behalf of your organisation.

By welfare complaints, we are referring to any complaints relating to animal cruelty, neglect or failure to meet the welfare needs of an animal, whether from members of the public, animal protection organisations, staff members, veterinary surgeons etc.

The docking of pigs' tails is prohibited by section 5 of the Animal Welfare Act 2006, except in certain circumstances provided for in the Mutilations (prohibited procedures) (England) Regulations 2007. However, evidence indicates that docking takes place on up to 85% of UK farms. Could you please disclose how many complaints you received regarding the docking of pigs' tails? 0
