|--|----------------------------------|
| 1. How many homes sold by the council under Right to Buy in the past 10 years (since 1/1/2016) are now being rented by the council as temporary accommodation.                               | 1. 0 being rented by the Council |
| 2. The total price the council sold these homes for (post-discount, actual money received by the council).   | 2. N/A                           |
| 3. The total amount the council spends, per year, on renting these homes as temporary accommodation.   | 3. N/A                           |
| 4. If held, the total amount the council has spent on renting these homes as temporary accommodation.  | 4. N/A                           |
| 5. If you have a list of the homes, with their prices and annual cost as temporary accommodation, that would be helpful, though I understand you may not be able to provide exact addresses. | 5. N/A                           |
