1. Does your authority currently utilise nightly paid temporary accommodation for placements?
2. What are the approximate nightly rates paid for temporary accommodation for the following property types?

If exact figures cannot be provided, please provide a typical range:

- HMO Room
  - Studio
  - 1 Bedroom Property
  - 2 Bedroom Property
  - 3 Bedroom Property
  - 4 Bedroom Property
3. How many units of nightly paid temporary accommodation does your authority currently utilise?
  4. How many single households and family households are currently placed in hotel or bed and breakfast accommodation?
  5. Of those households currently placed in hotel or B&B accommodation, how many have been placed beyond the statutory six-week limit (where applicable)?
  6. Is your authority's temporary accommodation provision delivered through a formal procurement framework, tendered contract, or other contractual arrangement?
  7. Does your authority offer block bookings or guaranteed occupancy arrangements to providers of nightly paid temporary accommodation?
  8. Would your authority be open to considering new providers of temporary accommodation, particularly where competitive pricing and additional supply could be offered?

**RESPONSE**

1. Yes
2. There isn't a typical range that can be provided as the types of accommodation provided and associated rates can vary depending on the type of property sought and any nature of adaptations /facilities within it alongside the nature of any management/support delivered through the provider.
3. 170 units of nightly paid accommodation.
4. 13 single and 0 families
5. 0
6. All of these arrangements
7. Any arrangement is dependent on the level of demand for the specific accommodation offered.
8. Yes, but would be dependent on providers meeting required quality standards and whether there is demand for the service offered.
