Request

I would like to request copies of any records relating to pre-application discussions concerning the following planning application: Warehouse / logistics development A/23/96226/MAJOR – Application for a large industrial / logistics warehouse development near Mosley Common

This request includes any emails, correspondence, meeting minutes, briefing notes, presentations, or records of meetings between Wigan Council officers or elected members and representatives of Peel Group, their consultants, or planning agents, prior to the submission or approval of the planning application.

Please include records of any pre-application meetings, developer engagement meetings, or discussions where the development proposals for Mosley Common were presented or discussed.

Please provide records from 1 January 2022 up to the date the planning application was approved.

Response

The Council has already disclosed the relevant information on this matter through Freedom of Information request reference '18671'.

All information released under that request is publicly available online via the Council's FOI Disclosure Log at the following address:
