**Request** (follow up to FOI 19518)

My request is around the money spent whether the communication was with Instagram or Zoe Bread herself.

There has been communication sent to Zoe Bread because it's been shared online. How much has the council spent in relation to this?

### **Response**

The Council has sent no communication to an individual named Zoe Bread nor Instagram.

It is understood that a letter sent to an action group was shared by that group with Zoe Bread
