

Request

Please can I have a full breakdown of how the council tax is spent, what does adult social actually mean, thanks

Response

Council Tax is locally retained. For details in relation to Council Tax, how it is collected and how it is spent, please visit the Councils Website at the following address:

[Council Tax - Income and Spending](#)

Adult social care relates to the care and support of local people aged 18 and above. Further information can be found at:

[Adult Social Care and Health](#)
