## **Request**

I have previously obtained via a previous FOI a lease agreement between Wigan Council and the Fir Tree Allotment Association dated 16/06/2015.

I do not require this document again.

However, Wigan Council has informed me that a new lease is being agreed.

Can Wigan Council please supply me a copy of this new lease agreement, if it is now in force with the Fir Tree Allotment Association?

If it is not in force or yet been agreed please say so in your response.

## **Response**

A new lease with Fir Tree Allotment Association has not been agreed and is not in force.
