

## Request

1. Does your authority currently collect non-black plastic plant pots for recycling at the kerbside? (Yes / No)
2. If yes, how long has your authority been collecting non-black plastic plant pots for recycling?
3. If no, does your authority intend to begin collecting non-black plastic plant pots? (Yes / No)

If yes, please provide the expected timeline for implementation.

4. What waste collection or waste management contractor(s) does your authority use for kerbside recycling services?

## Response

Yes
