

REQUEST 19773

Please could you provide the following information for your local authority for the 2024/25 Holiday Activities and Food (HAF) programme:

1. The total number of children eligible for HAF provision in your local authority area in 2024/25.
2. The total number of HAF places funded and delivered in 2024/25.
3. The number (or percentage, if held in that format) of eligible children who accessed at least one HAF session during 2024/25.
4. The method(s) of booking access to HAF provision in your area (for example: school referral, online booking system, mixed access routes).
5. Whether waiting lists or caps on places were applied during any part of the 2024/25 HAF programme delivery period (yes/no). If yes, please provide a brief description.

RESPONSE

1. 13,663
2. 12,284 (Easter); 32,870 (Summer) & 6250 (Winter)
3. 2702 (Easter); 4851 (Summer) & 2128 (Winter)
4. Vouchers are ordered by schools for every eligible pupil to be used via [HolidayActivities.com](https://www.holidayactivities.com)
5. Each Provider has a maximum capacity which is available on [HolidayActivities.com](https://www.holidayactivities.com). When a Provider is full the Voucher recipient can select another activity with space available. We are able to increase capacity in some Providers to meet demand. We have never reached a point where there has been no activities left to choose from.
