

Request

1. how much in the last five financial years in a year by year breakdown has wigan council paid to maintain its fleet of all council owned vehicles?

2. how many vehicles does wigan council own including a breakdown of vehicle types for the last five years. year by year breakdown.

Response

Year	Total
2021/22	£1,775,285.88
2022/23	£1,635,025.18
2023/24	£1,545,650.03
2024/25	£1,966,360.47
2025/26	£2,039,815.89

Due to the nature of fleet acquisitions/disposals, it is hard to provide a 100% answer by year/breakdown. However, the fleet size average has been between 300/320 over the last 5 years.

Below information is based on current fleet as of 18/09/2026.
