Response

We can confirm that Hope Not Hate have not received any grant funding from Wigan Council, including Brighter Borough Funding or Supporting Communities Funding.

We can confirm that Hope Not Hate have not received any subsidies from Wigan Council, including Brighter Borough Funding or Supporting Communities Funding.

In terms of access to community buildings throughout the borough, they are independently managed by community organisations. Decisions regarding the use of facilities, room hire, bookings and any associated arrangements are made by the individual organisation in line with their own policies and governance arrangements.
