<p>1. Could you inform me who has bought the land at the bottom of Holt Street alongside Worsley Mesnes Community Primary School, which has been designated, by the looks of it, as some kind of car park?</p>	<p>1. The Council owns the land at the bottom of Holt Street alongside Worsley Mesnes Community Primary School. There has been no change in ownership of the site.</p>
<p>2. It has become a little unclear if it is a private car park, associated with the school, associated with the Mosque or is available for everyone.</p>	<p>2. The area has been developed as a general access car park to help alleviate local parking pressures. The facility is intended for use by all community assets and residential properties in the surrounding area and is not reserved exclusively for the school, the mosque, or any other individual organisation. The car park is currently awaiting the installation of a height restriction barrier before it is opened for public use.</p>
