

Our Community Safety Fund

Summary 2021-23

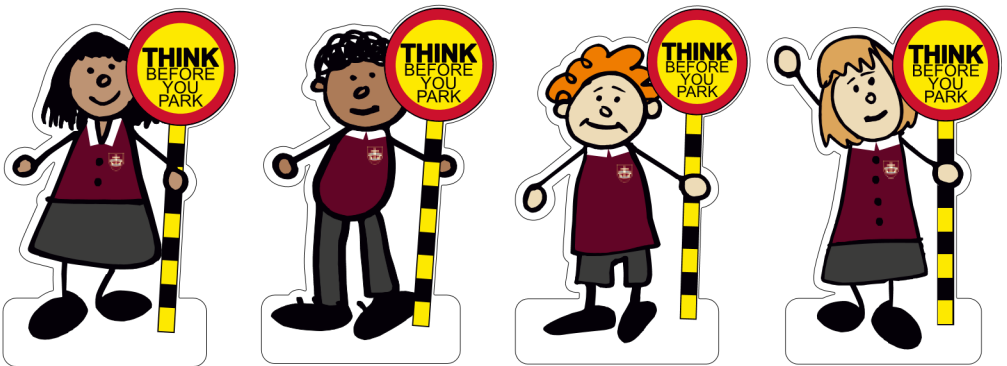

The Deal
2030

The Deal

About the community safety fund:

Deal 2030 sets out our ambition to work collaboratively with Voluntary, Community and Social Enterprise (VCSE) organisations to develop a thriving and sustainable sector to best serve the residents of the borough.

Wigan Council received funding from the Police, Crime & Commissioning – Community & Voluntary grant and working alongside Wigan Borough Community Safety Partnership wanted to offer funding to the local community.

Designs created by pupils at Atherton Sacred Heart school to stop parents parking in an unsafe manner outside school and raise awareness.

The Community Safety Fund is aimed at helping communities improve an area by reducing crime and supporting community safety initiatives.

Applications were welcomed from voluntary and community organisations in Wigan Borough, who required support due to being affected by increased levels of anti-social behaviour, a reduction in feeling safe in your own home or local community and acquisitive crime.

The fund will support projects that aim to promote community spirit and bringing communities back together.

To qualify, projects needed to demonstrate how they would increase or promote community safety within the local community and have a positive long-term impact.

Ekhaya Empowerment, Happy Smiles CIC & Everything Human Rights working in partnership to carry out Hate Crime Awareness sessions in local schools.

From March 2021 to December 2021
