

Can we help you?

Who are we?

Design Plumbing Services Ltd.

We are a local Plumbing & Heating/Mechanical engineering/Gas Safe registered company who specialise in all residential/public sector projects, including social housing contracting. Being a local business, we understand the importance of social value and would like to offer our services wherever we can assist.

Area we can help in

Wigan Borough

Equipment/materials we have

Text goes here...

How we can help you?

General plumbing & heating issues and fault finding. Boiler breakdowns and impartial advice on heating systems. We are experts in disability wet rooms.

Dependent on timescale, it may be possible to carry out small plumbing jobs free of charge, whilst larger jobs will be carried out at a reduced rate.

How to contact us
