

Can we help you?

ManLeigh CIC

Area we can help in

Based in Leigh but will help anyone from Wigan Borough.

We aim to support all men by offering a safe place to talk and share their issues without fear, interruption, or judgement. This hub will offer signposting, Peer to Peer support, and practical advice. And encourage emotional well-being. Our three core values are to be safe, inclusive, and always user-led by putting our men's voices first

How we can help you?

Men's support group - brew, biscuits, laughter, one to one and group sessions
