

# We need your help!

## Project Overview

We provide weekly luncheon clubs for our local Astley, Tyldesley and Mosley Common community where our dedicated volunteers welcome, support and respect all those who attend, including our elders, those with disabilities, mental health concerns and recovering alcoholics.

**Area Based:** Astley

## What support is needed:

### Equipment/resources:

We aim to provide entertainment once a month for the luncheon club, so would welcome performers who can offer their services for free or for a reasonable charge.

We would like to receive items that we could use to create hampers for the elderly.

## Group name & logo

Astley Pensioners Centre

## What difference it would make to our project?

It would enhance their lives and enable our members to feel included in society, and to also continue to improve their social skills which has been difficult over the past few years due to Covid.
