

We need your help!

Project Overview

We are a local community group of volunteers who care about these green spaces. We have twice weekly work parties to clear litter and monitor these spaces. We fund raise to organise community events and nature walks open to all. Our long-term aim is to increase the participation and involvement of local schools and thereby encourage a love of nature in our future generations.

What support is needed:

We need help to build a small path from the main path to our disabled friendly table and benches at the Hindley end of Borsdane Woods.

Borsdane Wood & Rayner Park Friends Group

What difference it would make to our project?

A wheelchair friendly path will make access to this picnic table much easier.
