

We need your help!

Project Overview

CommuniTea Spaces C.I.C has responsibility for 3 asset transfers in Pennington Hall Park. We offer a community cafe, are setting up Grow Your Mind - Community Well-being Garden, and turning the unused Bowling Pavilion into a space that can be used by groups, schools, for workshops with the setting of the park being at the forefront of these meetings.

Area Based: Leigh

What support is needed:

Equipment/resources: Funding is something that we are in constant need of in order for us to deliver the provision and long term aims that we have. Dealing with the complications of planning permission as a CIC with CAT's, marketing and reaching out to end users. Having a list of reliable, council approved and cost friendly contractors but overall having support to move our projects forward within a reasonable time frame.

What difference it would make to our project?

It would mean that we would be able to meet the ever-increasing demand for our services, that currently we are unable to fulfil due to the time scale it takes for 1 or 2 people to make things happen.
