

We need your help!

Project Overview

Fur Clemt CIC is a Community Interest Company. 100% of profits made are used to support the project and our community.

Fur Clemt CIC is part of the global 'Real Junk Food' movement. Our organisation is dedicated to reducing edible wasted food reaching landfill by collecting it from suppliers and making it available to the community to reduce food poverty through its cafes, food outlets and food sharing scheme.

Did you know that Fur Clemt is the local term for 'Very Hungry'? An apt name for our project!

Our **food share scheme** provides access twice a week for members. Membership costs £5 per year with an additional £3 per visit with two visits per week allowed. At each visit, members can choose 20 items from our selection of goods

What support is needed:

Equipment/resources:

Financial support
Data base help
Health and safety support
HR support

What difference it would make to our project?

Any help eases the strain on a small organisation. Things like HR and health and safety support would free up essential funds to enable us to concentrate on our key objectives of reducing food waste and food poverty.
