

We need your help!

Project Overview

We are a community sports and social club who offer free events to the community and support other local businesses. We have an open door policy and everyone is welcome.

What support is needed:

We need support with maintenance of our building:
Rendering
Roofing
Carpeting
Plumbing in the men's toilets
White goods for our kitchen

What difference it would make to our project?

We would be able to offer more support and free community events, and be a warm safe place for people to attend.
