

We need your help!

Project Overview

Family Support Charity offering Emotional & Practical Support, also Parent and Infant Mental Health support to Families with at least 1 child, 5 and under, across Trafford, Salford & Wigan Boroughs.

What support is needed:

Looking for Volunteers who are parents themselves or have experience of working in the Child Care Sector.

What difference it would make to our project?

Would make a huge difference as would be able to offer More Families support.
