

# We need your help!

## Project Overview

We are Inclusive Tennis CIC, a non-profit making company setting out to make a positive impact on our community by making tennis and sports available to everyone. The inspiration for the project is to help and teach people of any ability, who might not have had the opportunity before, to get active, learn something new and have fun.

By "inclusive" we mean everyone. From young to old, whether you are in a wheelchair, partially sighted or blind, deaf, have anxiety, stress, or other mental health issues, we are here to help and make it fun for you. We believe anybody can play tennis. Anybody from any background and any community. No matter what their age, shape, or ability.

We are dedicated to improving health and well-being through sports and education. We aim to reduce obesity, encourage people to be active in the community, increase confidence and teach tennis as a lifetime skill! We also want to bring communities together and improve social engagement whilst decreasing isolation in the community.

Our Community Interest Company is based in Wigan, where we aim to provide new sporting opportunities to all members of our community.

**Area Based:** Wigan

## What support is needed:

### Equipment/resources:

Looking for a preferential lease deal or loan of a small van to help with our community outreach work as we have too much equipment to be transported in a car.

## Group name & logo

**Inclusive Tennis CIC**

## What difference it would make to our project?

We would be able to provide more sporting activities to the community.
